Saturday gala: Manny Lezama and Hadar Borden enjoy architectural ambience and a glass of champagne during Saturday's black-tie gala in the 2009 Decorators' Show House — the E.B. Green-designed Wallace Estate at 697 LeBrun Road in Eggertsville. The house, which was built in 1929, will be open to the public from April 25 to May 17. The Show House — co-sponsored by the Junior League of Buffalo and The Buffalo News — has raised more than \$3 million for charity since 1981.
